

HON. ALFREDO S. LIM
Mayor, City of Manila

We are pleased to convey our sincere greetings to the Pamantasan ng Lungsod ng Maynila and congratulate the good men and women behind it for coming through with flying colors on its 45th Founding Anniversary this year, 2010.

The theme, "Tapat na Pagtalima sa Diwa ng Pamantasang may Malasakit sa Lipunan" highlights PLM's vision as "A Caring People's University." Four and a half decades saw the institution rise in successfully carrying out its mission – quality education to the less privileged but deserving students – which goes beyond the pursuit of academic excellence. For it had since been bringing forth to the academic and the corporate world "*competent, productive and morally upright professionals, effective transformational leaders and socially responsible citizens.*"

We are certainly proud of PLM and encouraged to be in constant touch with its stakeholders, who never stop being inspired by the institution and what it stands for.

Kudos! Keep on the good work!

HON. JUSTO P. TORRES, JR.
Chairman, Board of Regents

The Pamantasan ng Lungsod ng Maynila (University of the City of Manila) is celebrating its 45th Founding Anniversary on June 18-19, 2010, with the theme, "Tapat na Pagtalima sa Diwa ng Pamantasang may Malasakit sa Lipunan (Faithful Adherence to the Ideals of the University Concerned with Society)." The theme of the celebration is well chosen.

As the People's University, it exemplifies the institution's democratic spirit honed in its historical heritage to pursue progress in the light of its vision, "*of the people, by the people, and for the people.*"

It is in this aspect that the Board of Regents of the University, together with the institution's constituencies, happily resolves to maintain its excellent academic and leadership standards to be worthy of its avowed governance.

With all best wishes!

HON. RAFAELITO M. GARAYBLAS

Acting University President

Maligayang bati sa lahat ng bumubuo at kapanalig ng Pamantasan ng Lungsod ng Maynila.

Sa pagsapit ng ika-45 taong anibersaryo ng pagkakatatag ng ating Pamantasan, lubos ang aking paniniwala na lalo pa nating mapagtitibay ang mga nasimulang pamantayan ng karunungan, kaunlaran, at kadakilaan.

Tinatawag na sapphire anniversary ang ating pagdiriwang ngayong taon. Ang sapiro ay itinuturing na isang mamahaling bato at namumukod tangi sa kanyang kinang at ganda. Tulad sa isang sapiro, sana'y maging isang hiyas ang ating Pamantasan sa paghubog ng marami pang mga mamamayang Pilipino.

Tulad sa sapiro na nagbibigay ng kakaibang pagmamalaki sa sinumang magsusuot nito, sana'y taas-noo at maging hayagan ang ating pagyakap sa ating pananagutan na kumalinga at magmalasakit sa kapakanan ng ating kapwa at sa lipunan na ating kinabibilangan dito sa lungsod ng Maynila, o sa iba pang bahagi ng Pilipinas, at maging sa ibayong dako ng mundo.

Sa pagsisimula at pagharap natin sa bagong dekada, ang panawagan ko'y muli tayong magtulungan upang payabungin pang lalo ang ating mga gawain na mapagpapatingkad sa makabuluhang papel na ginagampanan ng ating Pamantasang Mahal.

Maligayang pagdiriwang at maraming salamat!

A handwritten signature in black ink, appearing to read 'Rafaelito M. Garayblas'.

ATTY. PATRICK L. MARIANO
Executive Vice President

PLM was established on June 19, 1965 by virtue of Republic Act 4196, and today we are celebrating its 45th founding anniversary. For the past 45 years, Pamantasan has lived up to fulfill its vision of providing quality education to the less privileged but deserving students.

We celebrate the Foundation Day to commemorate the past, to highlight our achievements and most importantly to give great acknowledgement to the administration, faculty and all employees of this university. Their devotion to duty and commitment to professional competence through their hard work only we are able to reach with our accomplishments. Also, we have been fortunate to receive the much-needed support from the Government through the City of Manila.

PLM as a premier University of providing free education for the less privileged has proved academic excellence by producing top graduates in different fields of education. It has been the melting pot of the best minds of the nation and as an institution of higher education is committed to the promotion of student welfare. In pursuing this path in creating socially responsible citizens, the Pamantasan continues to serve the public by inculcating to the youth social responsibility, respect for human rights and to develop future leaders of our nation.

We look forward to an equally rewarding and eventful year to The People's University.

MR. DANILO A. BALUYOT
Vice President for Administration

Noong taong 1965, ang ating Pamantasan ay itinatag upang matugunan ang pangangailangan pang-edukasyon ng mga batang Maynila lalung-lalo na yaong mga nanggaling sa mababang antas-ekonomiko ng lipunan. Mula noon hanggang sa kasalukuyan, apatnapu't limang taon nang ginagampanan ng ating Pamantasan ang misyong ito.

Sa bawat taong lumilipas, libu-libong mag-aaral ang nabibigyan natin ng pagkakataon upang mabago nila ang kanilang kinabukasan at maiangat ang kanilang antas-pangkabuhayan. Ito'y isang patunay na tayo ay naging tapat sa sinumpaang misyon na pagtalima at pagmamalasakit sa ating kapwa sa pamamagitan ng pagbibigay sa kanila ng pagkakataon na maging kapaki-pakinabang na bahagi ng lipunan.

Binabati ko ang lahat ng mga kawani, dalubguro at mga mag-aaral sa pagdiriwang natin ng ating ika-45 taon ng pagkakatatag. Nawa'y patuloy tayong maging tapat sa ating mga tungkulin.

Maligayang bati!

DR. VIRGINIA N. SANTOS
Vice President for Academic Affairs

Merriment and jubilant celebration characterize foundation anniversaries, coupled with nostalgic moments. Somehow, it is the best time to measure how the present compares with the past. It is also an effective reckoning time which is so significant in determining the future.

June 19, 2010 marks 45 years of PLM's service to the constituents of the City of Manila. In fact, at times its services go beyond the borders of the historic city in an effort of the institution to serve the underprivileged youth of our country. The first locally funded institution of higher learning in the country of which achievements were proven by various success stories all over the country and even across nations, Pamantasan ng Lungsod ng Maynila has encouraged and truly inspired many communities and provinces to put up the same. Now, it has gained almost a hundred similar institutions following the gigantic footsteps of leadership and performance, only PLM can humbly offer.

Today, as we celebrate our foundation anniversary, let us reflect on what we

have already done and what we can still do for the youth. Let this be a day for us to look beyond what our institution represent today. This we can do easily if we always move as one academic family, as we continuously uphold the essence of this year's anniversary theme, "Tapat na Pagtalima sa Diwa ng Pamantasang may Malasakit sa Lipunan."

In thanksgiving to our Almighty Father, I join all of you in jubilation for another successful year. Let us all wish for brighter years ahead, not forgetting the fact that we exist the way we are now, because the City Government of Manila is always there for us. Let me also congratulate the working committees for this occasion, not to forget our gratitude to the university administration for the solid support for this celebration.

Together, let us thank the taxpayers of the City of Manila and most importantly the local chief executive, Hon. ALFREDO S. LIM.

HAPPY ANNIVERSARY EVERYONE!

MS. ANGELITA G. SOLIS
Vice President for Finance & Planning

With just a few steps closer to our golden anniversary, I would like to congratulate each and everyone who contributed to the success of the previous celebrations and commemorations of this gigantic event.

Without us noticing, we have been doing justice to this year's theme "Tapat na Pagtalima sa Diwa ng Pamantasang may Malasakit sa Lipunan" by consistently abiding (pagtalima) to the rules and regulations set forth to each role we play in enhancing the reputation of our beloved University.

More so, we have experienced different style of management from each University president we had but there seems to be a factor (a certain culture) we have maintained all throughout the years - that is our deep concern for the welfare of the main recipient of these efforts, the society (lipunan).

All the more, I believe we can continue giving the same sacrifices for another or the next decade.

To us, all the good wishes and more power!!!

MR. JESUS B. TRINOS, JR.
President, PLM Alumni Association, Inc. (PLMAAI)

The PLM Alumni Association, Inc. in behalf of the alumni community extend its warmest congratulations to our alma mater on the occasion of its 45th founding anniversary. This event is historic and memorable for the students, faculty, staff and alumni as PLM celebrates a milestone as a leading institution of higher learning.

The Pamantasan ng Lungsod ng Maynila (PLM) today is a testament to the vision and aspiration of Manila's political leaders who, 45 years ago, set aside partisan politics and worked together to have Republic Act 4196 enacted into law that gave Manila's poor but deserving high school graduates the opportunity to pursue college education.

Many have since graduated from PLM, became successful in their chosen careers, trade and profession. Many are coming back to serve,

to give back. Many more will do. The theme "Tapat na Pagtalima sa Diwa ng Pamantasang may Malasakit sa Lipunan" exemplifies PLM's character as a caring people's university. Indeed for 45 years, PLM has always been a teaching institution for the poor. This is the paradigm that differentiates PLM from many colleges and universities. PLM is a class in its own.

Today, we honor our past leaders, faculty members and staff members who for many years have dedicated themselves to teach, serve and toiled to transform PLM into what is today. The alumni community as a stakeholder in PLM's development and future, joins in this joyous celebration and commits to work closer for an enduring partnership with its alma mater.

Mabuhay ang Pamantasan ng Lungsod ng Maynila!

MR. NOLIVER F. BARRIDO
Supreme Student Council President

Congratulations to The People's University on its 45th Founding Anniversary!

On its Sapphire year, Pamantasan ng Lungsod ng Maynila, as a topnotch communiversy, continuously provides quality education to the less privileged but deserving students. It has become at the forefront of developing competent, productive and morally upright professionals, effective transformational leaders and socially responsible citizens.

With the theme "tAPAT na PagtaLIMA sa Diwa ng Paman-tasang may Malasakit sa Lipunan," PLM expressed its social responsibility by opening its doors to private and public high school graduates outside of Manila on a highly subsidized scholarship program. It also incessantly conducts and promotes extension services for community development and establishes mutually beneficial linkages with different industries and institutions.

May this Home of True Scholars endlessly ignite the sense of pride and commitment of the student body to maintain the tradition of the University as an exemplary institution of higher learning.

Again, hail and congratulations!

PROF. ERLINDA ABLETES-CAYAO
President, AEAPLM, Inc.

It is with pride and honor to greet our beloved Alma Mater on its 45th Founding Anniversary this June 17-19, 2010. Being true to its vision, "a caring people's university," this institution has been our second home. Indeed, it is committed in providing quality education to the less privileged but deserving students. Being a proud alumna, I am a living witness as to how this institution has instilled to its clientele the values of excellence, integrity, nationalism, social responsibility, trustworthiness, creativity and analytical thinking.

On this occasion, we can't help but look back and once again be proud of what this institution have gone so far. Because of unparalleled dedication of its administration, faculty and employees, PLM is still enjoying its prestige as a premiere university that continually produces competent, productive, morally upright professionals who are actively taking part in the transformation of our beloved nation. As such, this year's theme, "Tapat na Pagtalima sa Diwa ng Pamantasang may Malasakit sa Lipunan," is most fitting. This university has always been responsive to the needs of the society in general.

As a representative from the faculty rank, we continually adhere to the promise that we will do our best to deliver the quality instruction for our students. We commit ourselves to the mission and vision of our beloved Pamantasan.

Again, from the officers and members of the Academic Employees Association of PLM, Inc., congratulations!

Warmest greeting is being expressed by the Association to the Pamantasan ng Lungsod ng Maynila on its 45th Foundation Day.

The University has so much to celebrate on its foundation day, from having accomplished its goals, missions and visions to being at the forefront of universities dishing out quality graduates to fill up the requisites for competent workforce in different fields in the country and overseas.

The Association is very proud of being able to work hand in hand with the PLM's management in having competent and productive support staff.

P R O C U L A B. A M A R I L L O

OIC – Dean, College of Science

Over-All Chair, 45th University Foundation Anniversary Committee

Observance of a milestone such as the 45th foundation anniversary of Pamantasan ng Lungsod ng Maynila is a time of felicitations and thanksgiving. We have to thank God for all the blessings bestowed upon this prestigious institution.

In retrospect, we remember our founders and benefactors - officials of Manila and of our country then - who, with their wisdom and foresight initiated the establishment of PLM. We recall our university officials and colleagues, past and present, who shared, and continue to contribute their time and resources for the growth and flourishing of this University. We recognize our alumni who have made a name for themselves, carved their own niche here and in various corners of the world. It is with gratitude that we, who remain within the

confines of this institution, look up to them and live up to the legacy they left behind.

As we celebrate, let us pause and take stock of where we are, and what we can still achieve in the areas of instruction, research and extension service. I call on all the members of the PLM community – administration, faculty, staff, students and alumni – to join forces in enhancing the triadic function of this institution.

Let us all get fired up and face the challenges of the new decade and bring PLM to greater heights. In behalf of the 45th University Foundation Anniversary Committee, thank you very much to all of our stakeholders and friends who have made our celebration meaningful.
