Academic Programs

The different colleges of the University offer academic programs based on the approved curricula for the particular field of study. Usually, the programs require the teaching of the courses of study by leaders in the business or industry and the conduct of actual field exposures. The participative involvement of practitioners in the formation of courses of study in the different colleges is reflected in the skills-oriented, community-directed and value-driven curricular programs of the University.

Undergraduate Degree Programs

The University offers undergraduate courses leading to a Bachelor's degree in: **Accountancy, Architecture, Business Administration** (with majors in Finance and Treasury Management, Human Resource and Operations Management, and Marketing Management), **Business Economics, Education** (Elementary Education with specialization in Pre-School Education, Secondary Education with specialization in Biological Sciences, English, Filipino, Mathematics, and Social Studies), **Engineering** (Chemical, Civil, Computer Engineering, Computer Studies [with majors in Computer Science and Information Technology], Electrical, Electronics, Manufacturing, and Mechanical), **Entrepreneurship, Mass Communication** (with major in Public Relations), **Nursing, Physical Education, Physical Therapy, Psychology, Sciences** (with majors in Biology, Chemistry, and Mathematics), **Social Work, and Tourism** (Hotel & Hospitality Management, and Travel & Tourism Management).

UNIVERSITY PROFILE

The Pamantasan ng Lungsod ng Maynila was established by virtue of Republic Act No. 4196 on 19 June 1965. It formally opened classes on 17 July 1967. It is located on a 2.8-hectare lot in Intramuros, Manila where the first formal education was pioneered in the country in the 16th century.

PLM is a pioneer scholars' university. It is the first university in the country to have its official name in Filipino; the first tuition-free institution of higher learning in the Philippines and in Asia. It is likewise the first university funded solely by a city government.

PLM is a pioneer, a leader, and a model institution of higher learning in the Philippines. Over the years, PLM has become a powerful name. It has earned a recognizable brand equity and is now a brand in itself.

PLM's primary service is the provision of a tuition-free high-quality tertiary education. PLM is proud to be among the top universities in the country today with affiliations and recognitions of excellence from various national and international organizations.

University Life Purpose

To educate and serve the less-privileged but deserving students of Manila.

Vision Statement

A caring People's University.

Mission Statement

Guided by this Vision, we commit ourselves to provide quality education to the less privileged but deserving students and develop competent professionals, effective transformational leaders and socially responsible citizens.

Objectives

Anchored upon our Vision and Mission, we seek to:

- Equip the stakeholders with the scientific and technological knowledge, skills, attitude, and values for effective and efficient delivery of quality education and services;

- Conduct relevant and innovative researches for the enrichment of scholarships, advancement of the industry, and development of community both locally and internationally;
- Promote extension services for community development and establish mutually beneficial linkages with industries and institutions at the local, national, and international levels;
- Adhere to the values of excellence, integrity, nationalism, social responsibility and trustworthiness, creativity and analytical thinking; and
- Enhance the goodwill and support of the stakeholders and benefactors for a sustainable caring people's University towards the transformation of the City of Manila and the nation.

Important Reminders:

1. Students who took the PEPT, and the Non-Formal Educational Test (NFE) or the Alternative Learning System (ALS) are also eligible to apply. Attach a photocopy of the PEPT or NFE/ALS test result for evaluation.
2. As a matter of policy dictated by good norms, fine bearing and deportment expected of a PLM scholar, no applicant with body tattoo shall be admitted to the University.
3. Submitted credentials become the property of PLM and will no longer be returned to the applicant.

Primer on Freshman Admission: A Guide to PLM Scholarship

THE PLM ADMISSIONS TEST

The Pamantasan ng Lungsod ng Maynila Admissions Test (PLMAT) is a 2-hour examination consisting of subtests on English, Science, Mathematics, Filipino and Abstract Reasoning.

The applicants' scores are weighted against a standardized PLMAT score. If their scores satisfy the suggested cut-off score, they will qualify for enrollment. The range of cut-off scores for each degree program approximates the applicant's expected performance in the University.

Examinees who successfully achieve a score that is equal to or better than the standardized cut-off score are expected to hurdle the rigors of an excellent university scholarship.

PLM reserves the right to accept or reject applicants on the basis of their performance scores in the admissions test and other factors as deemed appropriate by the University.
